Central Intelligence Agency

Washington, D.C. 20505

The Honorable David A. Stockman  
Director, Office of Management and Budget  
Washington, D.C. 20503

Dear Dave:

Transmitted herewith is the Fiscal Year 1985 Budget request in the amount of \$91.2 million for the Central Intelligence Agency Retirement and Disability Fund. Our request for this purpose is unclassified and therefore is transmitted separately from the Agency's classified operating program request for 1985. The latter does not include the funds requested for the CIA Retirement Fund; however, the Agency's budget submission for 1985 does include in a separate section the detailed classified data necessary to support our request for the Government's contribution to the Retirement Fund.

Sincerely,

Executive Director
